01 THE CLIENT PORTAL

One record: you see it, our team works from it.

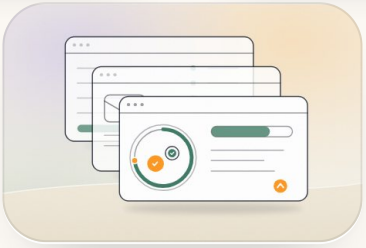

In Arabic and English, on mobile and desktop, the portal shows the same data your named team works from. The platform researches and prepares; only a person calls, writes in your name and confirms. Every meeting appears in your portal the day it is booked, with its evidence.

4
written criteria per meeting, evidenced by the prospect's own e-mail

2 days
business days to accept or object; silence is acceptance

30
days: the two-deal clock runs in your portal

18 / 20
the qualification floor the monthly statement measures

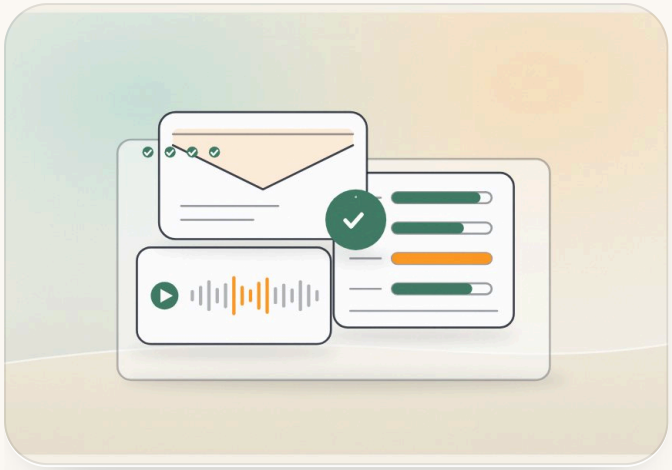

The portal screens: overview with the deal clock, meetings with their evidence, the statement before the invoice.

Section	What you see	What you do
Overview	The 30-day clock for the 2 deals, accepted against 18 of 20, next meetings, your team by name.	Act on what needs your attention
Conversations	Every call and e-mail as it happens, with the approved template used, marked "made by a person".	Filter and export
Meetings	The brief, the prospect's e-mail requesting the meeting, the recording reference, the four-criteria scorecard.	Accept or object within 2 business days
Evidence	One folder per meeting: brief, e-mail, recording reference, scorecard signed off by your dedicated account manager.	Open and download
Deals	The 2 guaranteed deals and their status: signed contract or first invoice paid at the minimum deal value.	Confirm a close; connect your CRM
Statement & billing	Delivered, accepted, replaced, refunded; month-one weekly invoices, then the monthly invoice; Saudi VAT e-invoices in SAR.	Read the statement before the invoice
Objections	Each objection with its criterion and evidence, and the service head's written decision within 2 business days.	File an objection; follow its decision
Compliance & data	Exclusion list, opt-outs, the DPA and mutual NDA, your numbers and addresses in your company's name.	Export everything
Settings	Users, who attends meetings, the decision-maker for the closing meeting, notifications, language.	Name who attends; set notifications

> Accepted meetings and amounts due are computed by the contract rules; nobody can edit them by hand. Account data is hosted in the Kingdom of Saudi Arabia.

02 MEETINGS AND OBJECTIONS

Every meeting, from the evidence to your decision.

The evidence folder for every meeting: the brief, the prospect's e-mail, the recording reference, the four-criteria scorecard.

The four criteria on every meeting card

1	**The budget decision-maker is in the meeting**	Mandate confirmed on the call, or a delegate named in writing.
2	**Need and timing on a recorded call**	In the prospect's own words; the recording reference attached.
3	**Your offer summary received**	With your price or price range as agreed at onboarding, before the meeting.
4	**The meeting requested in writing**	A formal e-mail from the prospect's company address to discuss contracting.

Accept or object: the decision path

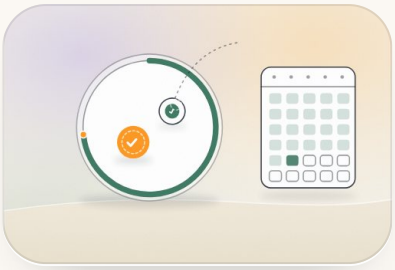

1. **Your 2 business days**
   Accept, or object naming the criterion that failed and your evidence. No reply within the window means accepted.
2. **A service head outside your account team**
   Decides each objection within 2 business days, from the recording and the written record; the decision reaches you in writing.
3. **Objection upheld**
   A replacement within 10 days; otherwise USD 275 (SAR 1,031) refunded in cash within 5 business days, never a credit note.
4. **Objection declined**
   The meeting counts and is billed; the written reason is shown on its card.

Objection reasons in the portal: NO BUDGET DECISION-MAKER · NEED OR TIMING NOT CONFIRMED · OFFER SUMMARY NOT RECEIVED · NO WRITTEN REQUEST · EXISTING CUSTOMER OR EXCLUDED

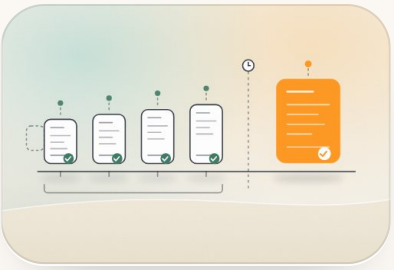

> A buyer no-show never counts and is never billed; we rebook it at our cost. The guarantee holds while you attend within 5 days of booking, answer proposal and pricing requests within 48 hours, bring your decision-maker to the closing meeting and keep pricing within the agreed range.

03 STATEMENT, CLOCK, BILLING

The monthly statement, the two-deal clock and how you are billed.

The 30-day clock starts at the first delivered meeting. Two deals inside it, or the next months are free.

Month one: weekly invoices for accepted meetings only, nothing upfront. From month two: USD 5,500 (SAR 20,625) monthly in advance, replacements and refunds settled on the statement.

Monthly statement ILLUSTRATION

Month 3	20	19	1	Refund	275
Total	**60**	**57**	**3**		**275**

Replace within 10 days before refund; otherwise USD 275 (SAR 1,031) in cash within 5 business days. The statement always precedes the invoice.
